The Professional Trade Magazine:

Print and Online Issue

Sign making, digital printing, light advertising, digital signage and wrapping are the main editorial themes of the professional trade magazine **WERBETECHNIK**. With its comprehensive news section, product overviews and expert articles, **WERBETECHNIK** is the most popular professional trade magazine in the sector.

- We provide expert interviews to look into new developments.
- We do precise research to discover trends and to scrutinize new technologies.
- We visit important manufacturers, who show their machinery in detail.

The **WERBETECHNIK** trade magazine is focusing on all businesses of the sign and light advertising industry. That includes first and foremost sign makers, digital printers and light advertisers. Booth builders, advertising agencies, shop designers and architects are also target groups of our trade magazine.

The readers come from the executive board as well as the production sector. Furthermore the trade magazine is used as an information source in marketing departments.
