NEWSLETTER FOR SUBSCRIBERS

The **WT Newsletter** goes out to the subscribers of the trade magazine WERBETECHNIK 6 times a year. Three advertising spaces are available. Whether Silver Banner, Gold Banner or Info Block, your advertisement will make an impression.

Use the **WT Newsletter** for the presentation of new products, for special promotions or trade fair invitations.

Your contact person:

Sign Making: Mounted on fences **01**

In the next issue you will read which substrates are suitable for advertising at site fences and how they are fixed the best way.

Read more on this topic in the August issue.

TrueVIS VG2 NEU

VERTRAUEN SIE IHREN INSTINKTEN
Drucker/Schneideplotter der TrueVIS VG2

Light Advertising: Let there be light at filling stations **03**

A good signage system catches drivers' attention on the street and leads them to the filling station and straight into the shop.
