NEWSLETTER FOR SUBSCRIBERS

The **WT Newsletter** goes out to the subscribers of the trade magazine WERBETECHNIK 6 times a year. Three advertising spaces are available. Whether Silver Banner, Gold Banner or Info Block, your advertisement will make an impression. Use the **WT Newsletter** for the presentation of new products, for special promotions or trade fair invitations.

Signmaking: Eyelets, presses, punching tools

01

Banners are a popular advertising medium. With the material and the printing alone, however, a banner is not yet ready for use. In the next issue you will find out what you need as a sign maker to get a banner ready for operation.

Read more in the June issue.

Illuminated advertising: LED tubes for illuminated advertising

02

In addition to LED modules, there are also LED tubes, i.e. fluorescent tubes with LEDs, and flexible LED tubes. You can read about the state of the art and what you can do with it in the next issue.

Read more in the June issue.
